Our Mission

The Neighborhood School exists to be used of God to bring hope to the most hopeless of inner-city children and their families by seeking to lead them to Christ as we nurture them spiritually, mentally, and physically in order that they may become productive, self-supporting, and godly citizens.

The Neighborhood School

The Neighborhood School is a pre-K through 8th grade Christian school located in the Binghampton area of

Memphis. The students are children who would have fallen between the cracks in public school. They were destined to repeat the welfare/crime cycle if no one intervened.

The Neighborhood School is full of promising young faces who share their need for love by offering many

hugs to those who volunteer. Our volunteers do everything from serving lunch to being classroom sponsors, tutoring, teaching art and music...you name it, they do it. All of our teachers are highly qualified and appreciate the mission of The Neighborhood School.

We also serve these children in other ways. The Food Services Program provides daily breakfasts, lunches, and snacks. The After School Enrichment Program offers tutoring and life skills development. The Boarding Program offers a loving, supportive, orderly environment with special opportunities for academic, cultural, and spiritual growth.

We seek to serve the specific academic needs of our children and to instill in all of them an appreciation of the fact that their lives are valuable. We want them to know that God created them for a purpose, and they can know the joy of living full and meaningful lives.

Your Talents Are Needed

Here are just a few of the things you will find volunteers doing at The Neighborhood School:

- tutoring children in reading and math
- providing books for the library
- cleaning up and painting the facility
- coaching sports teams
- spending time during school or the After School Enrichment Program tutoring or mentoring
- presenting your faith story to the children during the after school program
- helping serve breakfast or lunch
- being a prayer partner
- assisting with the kids' art curriculum
- chaperoning a field trip or a week at a Christian summer camp with the kids

Volunteers keep coming back because of the joy in each child's face that they touch. The children love the attention of caring adults.

You Can Make a Difference

We are funded by individuals, churches and foundations that believe in what we are doing. There are a number of ways you can give:

- Send a donation monthly or annually.
- Partner with a child and help underwrite a child's education. The cost of education at The Neighborhood School is over \$5,000 per student. As a Partner, you will be assigned a child who needs your help.
- Establish a Charitable Gift Annuity.
- Donate goods or services to benefit the school.

Your donation is tax-deductible. Through The Neighborhood School, you can make a difference.

See A Child Grow

We work hard to meet spiritual, academic, emotional, and physical needs of our students, but we need your help.

Please fill out form attached and join us in caring for these children.
